<https://sfp.wsu.edu>

Skagit county WSU Extension and Skagit Public Health is offering facilitator training for this research- and evidence-based, internationally-recognized best practice model of youth prevention. The training will cover the Spanish language Strengthening Families Program (SFP).

The facilitator training will:

- Prepare participants to be facilitators who are connected to existing teams/sites and agency representatives who are considering implementing the program
- Cover best practices for facilitating the 21 parent, youth, and family sessions in the curriculum
- Include the latest updates on Strengthening Families research that is happening in Washington State
- Help participants and organizations develop an implementation plan for successful programming in the community
- Review reporting and evaluation process for WSU and implementing sites

Trainers: **AnaMaria Diaz Martinez** has been involved since 2013 with the Strengthening Families Program for Parents and Youth 10-14 (SFP10-14) and the Fortaleciendo Familias para Padres y Jovenes 10-14 años (FF10-14) programs in Washington State. She is a member of the WSU statewide SFP/FF leadership team and a certified Master Trainer.

Sylvia Mendoza is the ELL/Family Engagement Specialist for Nooksack Valley's Everson Elementary and the district Migrant Recruiter. Sylvia has led the implementation of Fortaleciendo Familias in Whatcom County since 2009.

For registration questions, contact: Kate Foster, kate.foster@wsu.edu - (360) 778-5832 - <http://sfp.wsu.edu>

Registration Deadline: June 21, 2018
